

Health and Happiness by Choice Not Chance

Advanced Concepts in Wellness Through Energy

With **Linda Dierks**, founder of Spin Straw to Gold, the second chapter in Linda's life following a career in marketing, public administration and academia. In addition to a BS she is a graduate of Leadership Vermont, the US Chamber of Commerce Institute for Nonprofit Management and the American Society of Trainer and Developers *Train the Trainer* program.

New Thought training includes Law of Attraction & Biology of Belief, HeartMath, Intuitive Energy Diagnosis, the Barbara Brennan and Donna Eden schools of energy healing, meditation, mindfulness, several alternative health modalities and she is currently pursuing a degree as a Practitioner in the Center for Spiritual Living.

"This promises to be a highly effective tool for creating self-empowered wellness and joy. It's fun, it's powerful, it's original, it's innovative."
